Focus of the Story We will begin our Pre-K journey learning to connect with adults, peers, and our own sense of self. We will build and maintain relationships, manage conflicts, and develop empathy and confidence.

Throughout the year, we will manage our emotions, attention, and behavior. We will understand and cope with emotions, control our behaviors, and develop the ability to pay attention, remember, and think flexibly.

Each day, we will learn about ourselves and the world around us. We will explore, imitate, and experience what we see and hear.
