

LA 1184 : Reading Skills for the College Bound

This semester course is designed for students to gain the independence necessary for a successful college experience. Students learn how to read and think analytically, prepare for the SAT, and refine study skills. In addition, students focus on using reasoning and problem-solving skills to make informed decisions, building high-level comprehension skills to read and understand rigorous high school and post-secondary texts, and assessing and evaluating new information independently. Emphasis is placed on self-exploration through critical thinking that includes determining learning styles, refining appropriate study skills for college, and assessing the components of choosing the college or post-secondary experience to fit each individual.
