

AR 9120 : Art I: Foundations

Art I: Foundations is an introductory course in which students explore art and a variety of artmaking processes through the study of concepts/big ideas that make connections between art and life. The standards and objectives are organized into five specific content strands: Creative Process; Critical Thinking and Communication; History, Culture, and Citizenship; Innovation in the Arts; and Technique and Application. Students gain practical experience using a variety of art media, such as drawing, painting, printmaking, ceramics, sculpture, digital design, and mixed-media. Students develop visual literacy and appreciation for art through written, visual, and verbal expression.

**Focus
of the
Story**

We will begin by starting our journey by exploring individual identities and how portraiture can be used to tell a story. Exploring the purpose of art and how artists contribute to our world.

Once we understand the beginning steps, we can take a look at how Artists' environments influence the ideas and concepts used in the creative process. What life-long experiences influence your artwork?

Now, we can move into the history of art and tell a story through the lens of artists. Students will tell their story of traditions using art materials that align with artist intent.

Finally, we can look at how artwork community through insightful thou messages. We will uncover comm use art to tell its story, while reflect own personal stories..

Transfer Goals	The Creative Process	The Creative Process		
	Apply creative process through inquiry, investigation, generating ideas, testing solutions, refining, and reflecting on process and product while developing a personalized portfolio exhibiting original voice and vision as an artist.
